FORMATS, FINISHES AND COLORS AT A GLANCE

13 formats, 2 finishes

SOHO mosaics include a mix of classic configurations and new refined shapes. SOHO continues to include classic mosaics such as Penny Rounds, Squares, Basketweaves and Hexagons. Refined shapes such as Arabesque and Scallop shapes have been recreated to add greater detail and definition to its surface design. The surface now has well defined lines and color complexity

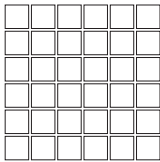

where glaze and color meet surface ridges. New and in vogue mosaic shapes such as the Scallop, Picket and Brick are also offered. Most of SOHO's shapes are available in matte or glossy porcelain, and a new matte unglazed porcelain material type in limited shapes are a perfect match for today's contemporary wall and floor applications.
