White Ply

A storm approaches, inevitable yet unpredictable. Rather than recoil from its raw beauty and immense power, we are moved to pause in quiet appreciation. And inspired to create the Storm Collection of marble style tiles. Fluid and expressive gray veins are reminiscent of rolling thunder clouds. Strong yet soothing, whether natural or polished. Multiple sizes and mosaics stir up a tempest of design ideas. Capture the subdued serenity filled with an impetuous electric charge. And fill your space with a beauty you can see and feel.

The STORM COLLECTION.

Portobello America. Transforming spaces and the way you feel within them.
